## ECN

### Mini-ITX Industrial Chassis

ECN-No. SBOEM-MinCha-020614

- Reason for ECN:
- Remove support for internal WLAN module (EoL of AzureWave Module)
  - Provide option for additional COM connector
  - Provide mounting option for WLAN antenna via (RP-) SMA connector
  - Improve EMI for D3313-S
  - Adjust connector labeling (printing)
- See next page for details!

Current Part No. / Revision	New Part No. / Revision
S26361-F5000-J002 / Rev. 03	S26361-F5000-J002 / Rev. 04

Note: Part number remains unchanged!

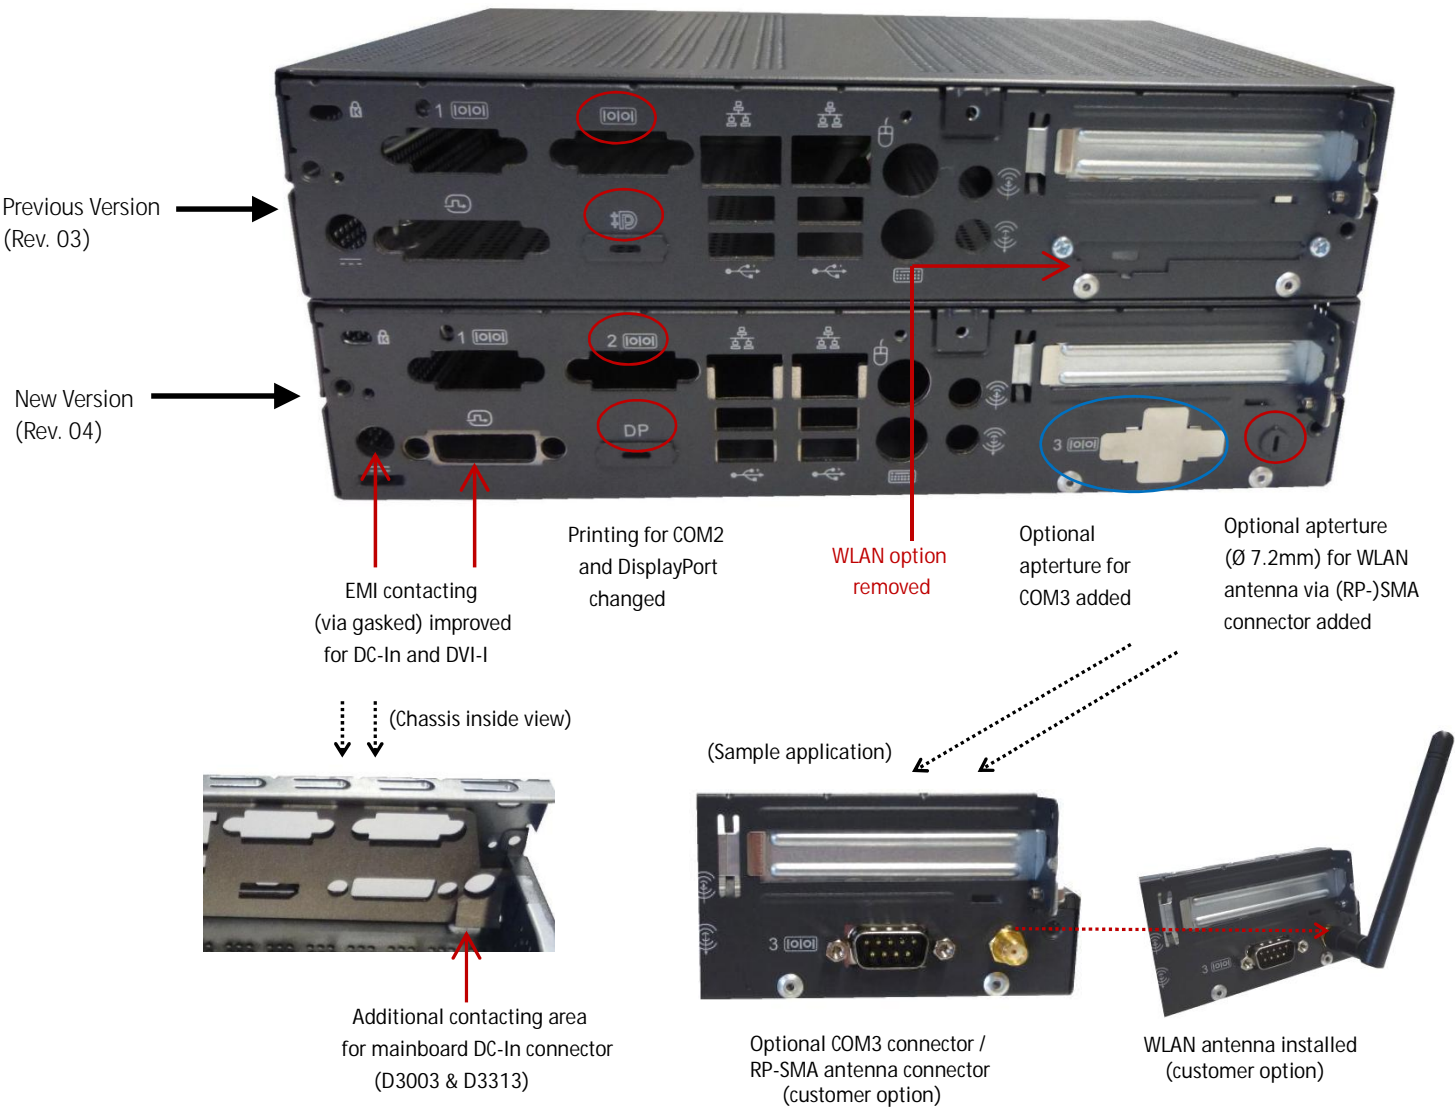

Shipping details: Shipment of the new chassis version from June 2014

Supported mainboards: D3003-S, D3313-S

Note: For further technical details of the Mini-ITX Industrial Chassis and related accessories
